

**DESTINATION**

Costa Navarino is the prime sustainable destination in the Mediterranean. Located in Messinia, it consists of a number of distinct mixed-use resorts, the first in Greece, integrating deluxe hotels, signature golf courses, world-class spas, state-of-the art conference facilities and high-end private residences. Upon completion Costa Navarino will comprise 5 sites, complementing and not competing against each other, extending over 1,000 hectares in total. Navarino Dunes, the first area in operation, features two 5-star resorts, two signature golf courses, the award-winning Anazoe Spa, and Navarino Residences. The second resort site, Navarino Bay, is home to an 18-hole signature golf course, The Bay Course, in operation since 2011.

It is easily accessible with direct flights to Kalamata International Airport from most European cities. It's a short drive from Kalamata International Airport to Navarino Dunes, and 270 km to Athens.
